

Marcé Conference 2026
Sunday 6 September – Wednesday 9 September 2026
 Programme

SUNDAY 6 SEPTEMBER 2026

Pre-Conference Workshops

08:30 - 09:00 **REGISTRATION FOR PRE-CONFERENCE WORKSHOPS**

09:00 - 12:30 **MORNING WORKSHOPS (Parallel)**

09:00 - 12:30	Workshop 1 Theme: Early Career Perinatal Mental Health Research Chairperson: Dr Claire Wilson How to conduct trauma-informed research engagement and participation – ensuring safety and wellbeing for participants, advisory members and researchers	MEETING ROOM 9 Dr Kaat De Backer (UK) Dr Claire Wilson (UK)
09:00 - 12:30	Workshop 2 Theme: Neuroscience, Treatment, and Innovation Chairperson Dr Bavi Vythilingum Treating Perinatal Bipolar Disorder: A Masterclass	MEETING ROOM 11 Dr Bavi Vythilingum (SA) Dr Elsa du Toit (SA)
09:00 - 12:30	Workshop 6 Theme: Systems of Care/Policy and Advocacy Chairperson: Prof Simone Honikman Barriers and facilitators to implementation of perinatal mental health detection and early intervention in primary care: a cross-context workshop	MEETING ROOM 7 Dr Teresa Reis (Portugal) Prof Simone Honikman (SA) Prof Estelle Venter (SA)
10:30 - 11:00	TEA/COFFEE BREAK	HALL C
12:30 - 13:30	LUNCH FOR ALL WORKSHOP DELEGATES/REGISTRATION FOR AFTERNOON WORKSHOPS	HALL C

13:30 - 17:00 **AFTERNOON WORKSHOPS (Parallel)**

13:30 - 17:00	Workshop 7 Theme: Neuroscience, Treatment, and Innovation Dr Loreen Straub From Data to Decisions: Understanding Evidence Generation and Potential Biases When Evaluating Psychotropic Medication Use in Pregnancy	MEETING ROOM 9 Dr Loreen Straub (USA) Prof Krista Huybrechts (USA)
13:30 - 17:00	Workshop 8 Theme: Neuroscience, Treatment, and Innovation Decreasing Length of Stay by Applying Innovative Treatments for Mothers with Postpartum Depression and Psychosis at Different Levels of Care in a Community Hospital	MEETING ROOM 7 Dr Nirmaljit Dhami (USA) Dr Nicole Tarui (USA)
13:30 - 17:00	Workshop 9 Theme: Preconception, Perinatal and Early Postnatal Interventions Chairperson: Prof Sarah Kittel-Schneider How to run a psychiatric mother-baby day-clinic?	MEETING ROOM 8 Prof Sarah Kittel-Schneider (Ireland) Dr Susanne Simen (Germany)
13:30 - 17:00	Workshop 10 Theme: Neuroscience, Treatment, and Innovation ADHD in the Perinatal Period: New Frontiers in Maternal and Infant Health Research & Practice	MEETING ROOM 2 Dr Jane Indergaard (USA)
13:30 - 17:00	Workshop 11 Theme: Diversity, Rights, and Global Inclusion in Perinatal Mental Health Chairperson: Dr Catriona Hippman LGBTQ+-affirming perinatal mental health clinical practice: Global and South African perspectives	MEETING ROOM 10 Dr Catriona Hippman (Canada) Dr Sheehan D. Fisher (USA) Ms Dalya Amélie Levin (SA)
13:30 - 17:00	Workshop 12 Theme: Systems of Care/Policy and Advocacy Rigorous and ethical research to achieve integrated perinatal healthcare in Sub-Saharan Africa: Lessons and tools from real-world research	MEETING ROOM 11 Dr Sarah Barber (UK) Ms Adiyam Mulushoa (ETH) Ms Tigist Eshetu (ETH) Dr Raquel Catalao (UK) Dr Roxanne Keynejad (UK) Ms Yodit Tesfaye (ETH)
15:00 - 15:30	TEA/COFFEE BREAK	HALL C

MONDAY 7 SEPTEMBER 2026

07:00 - 08:00 **REGISTRATION FOR MAIN CONFERENCE OPENS**

HALL C

08:00 - 10:15	KEYNOTE SESSION 1	HALL D
08:00 - 08:10	Welcome and Opening Ceremony	Dr Lavinia Lumu
08:10 - 08:45	Opening lecture - Channi Kumar Lecture	Prof Anne-laure Sutter-Dallay (France)
Theme: Preconception, Perinatal and Early Postnatal Interventions		Chairperson: Dr Lavinia Lumu

08:45 - 09:30	KEYNOTE 1: There's no baby without the caregiver: Why Infant Mental Health Begins With Connection	Dr Anusha Lachman (SA)
09:30 - 10:15	KEYNOTE 2: Improving access to perinatal mental health services through integration with primary healthcare	Dr Bibi Oladeji (Nigeria)
10:15 - 10:30	TEA/COFFEE BREAK	HALL C
PARALLEL SESSION 1		
<i>Theme: Preconception, Perinatal and Early Postnatal Interventions</i>		
10:30 - 11:30	Symposium 1: Music, culture and implementation: advancing scalable perinatal mental health interventions across contexts Chairperson: Dr Katie Rose Sanfilippo	MEETING ROOM 8/9
10:30 - 10:50	We don't play until we feel safe, and music is a great way to hack that' : how and why music-based interventions help in pregnancy	Dr Erica Breuer (UK)
10:50 - 11:10	Culturally embedded musical practices as a basis for intervention co-development: examples from Gambia, South Africa and Lesotho	Ms Sainabou Drammeh and Mr Tatenda Mayowo (UK)
11:10 - 11:30	Designing an Exit Strategy: How can interventions like CHIME be implemented: affordability, scaling and integration into existing systems	Prof Lungiswa Nkonki (UK)
10:30 - 11:30	Symposium 2: Preventive Approaches to Intergenerational Adversity in Perinatal Mental Health: Lessons Emerging from Japan Chairperson: Dr Hiroshi Yamashita	MEETING ROOM 11
10:30 - 10:50	Adverse Childhood Experiences and Difficulties in Mother to Infant Bonding: A LifeCourse Health Development Perspective on Perinatal Mental Health	Dr Hiroshi Yamashita (Japan)
10:50 - 11:10	Association between Adverse Childhood Experiences and Unintended Pregnancy among Japanese Women: A Large-scale Cross-sectional Study	Dr Yoshiaki Kanamori (Japan)
11:10 - 11:30	Psychosocial preventive interention for Pregnant Women and New Mothers with Adverse Childhood Experiences	Dr Hitomi Seino (Japan)
10:30 - 11:30	Oral Research	MEETING ROOM 10
10:30 - 10:50	#251: Gestational Choline in the Second and Third Trimesters of Pregnancy Improves Child Neurodevelopment	Dr Camille Hoffman (USA)
10:50 - 11:10	#196: Gestational Choline Buffers Stress, Preterm Birth Risk and Child Neurodevelopment in African American Women	Dr Camille Hoffman (USA)
10:30 - 11:30	Oral Research	MEETING ROOM 7
10:30 - 10:50	#376: An evaluation of the UNICEF Caring for the caregiver (CFC) intervention against the routine standard of care in Northern Uganda: a quasi-experimental prospective cohort study	Dr Stephanie Redinger (SA)
10:50 - 11:10	#316: Embedding attachment-informed strategies in a primary-care perinatal mental health service in Cape Town: a case series	Ms Tyla Prinsloo (SA)
11:10 - 11:30	#467: Transcutaneous Vagus Nerve Stimulation for Postpartum Mental Health: An Integrative Randomized Controlled Trial	Ms Julia Siodmiak (Germany)
10:30 - 11:30	Oral Research	MEETING ROOM 2
10:30 - 10:50	#468: Preventing Perinatal Depression, Substance Use, and Self-Harm Ideation in Nurse-Family Partnership Program to Design Injury Related Early Warning Systems and Reduce Maternal Morbidity and Mortality	Dr Qing Li (USA)
10:50 - 11:10	#216: "You say this is my baby...well, ok then": Parental experiences and postnatal mental health following general anaesthetic caesarean section	Mrs Michelle Anderson (UK)
11:10 - 11:30	#317: Psychiatric vulnerability and consultations for perceived reduced fetal movement: an opportunity to identify and address maternal mental illness during pregnancy?	Ms Rinde Louise Willemijn Yildiz (The Netherlands)
11:30 - 14:00	<i>VISIT TO THE WOMEN'S MENTAL HEALTH CLINIC</i> <i>20 pax only - for delegates who have pre-booked and paid</i>	TYGERBERG HOSPITAL JLG Out Patient Clinic and Mother-Bay Group Room Dr Kerry Louw
PARALLEL SESSION 2		
<i>Theme: Preconception, Perinatal and Early Postnatal Interventions</i>		
11:30 - 12:30	Symposium 4 - Preventing Perinatal Mental Health Difficulties Through a Basket of Community-Based Perinatal Support Services: Lessons from Ububele, Johannesburg, South Africa Chairperson: Ms Salisha Maharaj	MEETING ROOM 11
11:30 - 11:50	It Seems Hard for Her but She Tries to Be Strong": Lessons for Perinatal Mental Health Intervention from Three South African Research Studies	Dr Nicki Dawson (SA)
11:50 - 12:10	Seeking Out the Missing Mothers: Clinical Work in Action in a Context of Socio-Contextual Stressors	Dr Lynne Goldschmidt (SA)
12:10 - 12:30	Comparing the Presenting Infant Mental Health Concerns of Caregivers Accessing the Ububele Baby Mat Consultation Service Pre- and During COVID-19	Ms Liesl Hermanus (SA)
11:30 - 12:30	Oral Research	MEETING ROOM 10
11:30 - 11:50	#422: Exploring Differences in Perceptions in the Transition to Parenthood: A Perinatal Study Using Narrative and Embodied Methods	Dr Mari Ikeda (Japan)
11:50 - 12:10	#482: A cluster randomised trial of an integrated behavioural activation and parenting intervention for perinatal depression and child development in HIV-positive women in South Africa	Prof Tamsen Rochat (UK)
12:10 - 12:30	#130: What makes perinatal depression screening acceptable? A systematic review mapping women's views, measurement practices, and implementation gaps	Dr Martina Alberani (Italy)

11:30 - 12:30	Oral Research	MEETING ROOM 7
11:30 - 11:50	#310: A complex, community-based, task-shifting perinatal mental health intervention in rural India: a RE-AIM and realist mixed-methods evaluation of the PRAMH phase 2 pilot	Dr Nicole Votruba (UK)
11:50 - 12:10	#365: A Novel Infant Mental Health Clinic at a tertiary hospital in Cape Town, South Africa: Audit of referral pathways, attendee profiles and infant outcomes	Dr Shazia Jassat (SA)
12:10 - 12:30	#237: Pilot evaluation of a co-designed adolescent perinatal mental health intervention in Kenya and Mozambique: The INSPIRE project	Dr Tatiana Salisbury (UK)
11:30 - 12:30	Symposium 5 - Theme: Systems of Care/Policy and Advocacy Transforming Perinatal Integrated Mental Health Models: Scalable Models Across Global Health Systems Chairperson: Dr Emily Miller	MEETING ROOM 2
11:30 - 11:50	Modernizing the collaborative care model for impact and scale	Dr Emily Miller (USA)
11:50 - 12:10	Making maternal mental healthcare work: lessons from a collaborative, stepped care model in primary maternity care in South Africa	Prof Simone Honikman (South Africa)
12:10 - 12:30	Embedding collaborative care into obstetric clinics: a scalable integrated health model	Dr Lauren Osborne (USA)
12:30 - 13:30	LUNCH	HALL C
12:30 - 13:30	UKIMS REGIONAL GROUP LUNCH SESSION Chairperson: Dr Claire Wilson This meeting is open to UKIMS members i.e. those living in the UK and Ireland	HALL D
13:30 - 14:03	Blitz Poster Session Chairperson: Prof Sarah Kittel-Schneider	CCCC FOYER
13:30 - 13:33	#118: Childhood maltreatment and prior psychopathology as moderators of the association between negative childbirth experiences and perinatal PTSD symptoms	Dr Sara Albuquerque (Portugal)
13:33 - 13:36	#128: “Will I ever recover?”, Women’s experiences and perceptions of mental health following pregnancy and birth complications: A qualitative study	Dr Elizabeth Bodunde (Ireland)
13:36 - 13:39	#280: Unraveling the link between the mistreatment of women during childbirth and postpartum depression: a prospective longitudinal study in Ethiopia and Guinea	Dr Anteneh Asefa (Belgium)
13:39 - 13:42	#418: The mental health impact of gestational diabetes mellitus: A qualitative longitudinal study	Dr Madeleine Benton (United Kingdom)
13:42 - 13:45	#350: Breastfeeding during maternal lithium therapy: a audit of infant plasma lithium levels and short term outcomes	Dr Sarah Harris (New Zealand)
13:45 - 13:48	#197: Through the Woods: An Interpretative Phenomenological Analysis of Psychiatric Hospitalization in the Postpartum	Dr Catriona Hippman (Canada)
13:48 - 13:51	#128: Perinatal depressive symptom trajectory classes in mothers and partners and their prospective associations with parents’ health-related quality of life and child development three years after childbirth	Prof Susan Garthus-Niegel (Deutschland)
13:51 - 13:54	#169: Bridging screening and sustained recovery in maternal mental health: A trauma informed community integrated stabilization model	Dr Tamara Mackroy (USA)
13:54 - 13:57	#221: Effects of Prenatal Group Social Support on Postpartum Depression: Role of SES Risk	Dr Pamela Norcross (United States)
13:57 - 14:00	#218: Centering Pregnancy: Reducing Anxiety for Women with High Socioeconomic Risk	Dr Betty-Shannon Prevatt (United States)
14:00 - 14:03	#258: Impact of Implementing a Support Group for Grief After Pregnancy Loss	Dr Teresa Reis (Portugal)
14:15 - 15:00	KEYNOTE SESSION 2 Theme: Preconception, Perinatal and Early Postnatal Interventions	HALL D Chairperson: Dr Lavinia Lumu
14:15 - 15:00	KEYNOTE 3: The 1st 1000 days: How do we integrate women’s mental health?	Prof Jane Fischer (Australia)
15:00 - 15:30	TEA/COFFEE BREAK	HALL C
PARALLEL SESSION 3 <i>Theme: Diversity, Rights, and Global Inclusion in Perinatal Mental Health</i>		
15:30 - 16:30	Symposium 6 - Culturally Adapting Acceptance and Commitment Therapy for Perinatal Mental Health (ACT-PNMH) for immigrant, refugee and asylum-seeking women living in Pakistan, the USA, and Wales UK Chairperson: Dr Cerith Waters	MEETING ROOM 8/9
15:30 - 15:45	Adapting Acceptance and Commitment Therapy for perinatal mental health (ACT-PNMH) for refugee and asylum seeking perinatal women in Wales, UK	Dr Cerith Waters (UK)
15:45 - 16:00	Culturally adapting Acceptance and Commitment Therapy for perinatal mental health (ACT-PNMH) for Spanish speaking Latina and immigrant women in the USA	Dr Brieanne Kohrt (USA)
16:00 - 16:15	The implementation of Acceptance and Commitment Therapy for perinatal mental health (ACT-PNMH) in routine care for immigrant women in the USA	Dr Annette Maldonado (USA)
16:15 - 16:30	Culturally adapting Acceptance and Commitment Therapy for perinatal mental health (ACT-PNMH) for perinatal women living in diverse communities in Pakistan	Prof Samina Naeem Khalid (Pakistan)
15:30 - 16:30	Symposium 7 - Perinatal Mental Health in Muslim Women: Integrating Islamic Psychology Context, and Clinical Care Chairperson: Zainab Kikelomo Imam	MEETING ROOM 11
15:30 - 15:50	An Islamic Framework of Womanhood for Understanding Perinatal Mental Health Among Muslim Women in Global Contexts	Dr Venus Mahmoodi- presented by Dr Sawssan Ahmed (USA)
15:50 - 16:10	Stress and Coping in Muslim Women during The Perinatal Period: Contextual Realities and Clinical Considerations	Dr Sawssan Ahmed (USA)
16:10 - 16:30	Perinatal mental illness, clinical examples and Islamic psychological concepts used in care	Dr Zainab Imam (Qatar)
15:30 - 16:30	Oral Research	MEETING ROOM 10
15:30 - 15:50	#325: Vicarious Trauma and Emotional Labour Among Interpreters Supporting Perinatal Mental Health Conversations	Dr Amanda Firth (UK)
15:50 - 16:10	#324: More Than Words: The Importance of Relational Communication in Interpreted Perinatal Mental Health Conversations	Dr Amanda Firth (UK)
15:30 - 16:30	Oral Research	MEETING ROOM 7
15:30 - 15:50	#136: Severe Perinatal Mental Illness in the UAE: Insights from Psychiatric Inpatient Admissions	Mrs Helen Walker (United Arab Emirates)
15:50 - 16:10	#479: Perinatal depression and migration: a systematic review	Dr Katherine Elizabeth Sevar (AUS)
16:10 - 16:30	#254: Resources, Inspiration, Support and Empowerment (R.I.S.E.) for Black Maternal Mental Health; Preliminary Findings from a Randomized Control Trial	Dr Eynav Accortt (USA)
17:30	Marcé Cocktail Function & Networking	HALL C

08:30 - 19:15	KEYNOTE SESSION 3 <i>Theme: Neuroscience, Treatment, and Innovation</i>	HALL D Chairperson: Dr Lavinia Lumu
08:30 - 09:15	KEYNOTE 4: Effects of High-Risk Pregnancy on Maternal Mental Health and Quality of Life	Prof Priya Soma Pillay (SA)
PARALLEL SESSION 4 <i>Theme: Neuroscience, Treatment, and Innovation</i>		
09:15 - 10:15	Symposium 8 - Trauma-Informed Perinatal Mental Healthcare: Insights from Research and Interventions Integrated in Diverse Community Settings Chairperson: Dr Claire Wilson	MEETING ROOM 8/9
09:15 - 09:35	Biological Pathways of Intergenerational Trauma in Pregnancy: Newborn Amygdala Connectivity and Infant Emotion Regulation	Dr Vanessa Babineau (USA)
09:35 - 09:55	New York City's Family Justice Centers and Domestic Violence Shelters: Integrating Perinatal Mental Health Services for Families Experiencing Intimate Partner Violence	Dr Cathy Roche (USA)
09:55 - 10:15	Training Antenatal Care Providers in Rural Ethiopia to Deliver Problem-Solving Therapy for Women Experiencing Depressive Symptoms and Intimate Partner Violence: Implementation Insights from a Resource-Restricted Context	Dr Roxanne Keynejad (UK)
09:15 - 10:15	Symposium 9 - Critical Moments in Perinatal Mental Health: Emergency Mental Healthcare for Pregnant and Postnatal Women	MEETING ROOM 11
09:15 - 09:35	Who should care for women in Perinatal mental health crisis?	Dr Charlie Musters (UK)
09:35 - 09:55	Taking intensive care home: Building a Perinatal Home Treatment Team	Dr Jacqueline Humphreys (UK)
09:55 - 10:15	Making It Work: Practical Lessons for Any Perinatal Service	Dr Jessica Fletcher-Rogers (UK)
09:15 - 10:15	Oral Research	MEETING ROOM 10
09:15 - 09:35	#448: Postpartum depression and birthing parent–infant interactions assessed using the coding Interactive behavior instrument: a systematic review	Ms Nicole Twum-Ampofo (Canada)
09:35 - 09:55	#180: The impact of stress on iron stores in pregnant Black American women	Dr Kate Keenan (USA)
09:55 - 10:15	#463: The impact of peer-delivered cognitive behavioral therapy for postpartum depression on affectionate touch in birthing parent–infant interactions	Ms Nicole Twum-Ampofo (Canada)
09:15 - 10:15	Oral Research	MEETING ROOM 7
09:15 - 09:35	#285: Bearing Witness and Bearing Life: Exploring the Dual Role of Perinatal Psychologists in High-Acuity Settings through Collaborative Autoethnography	Dr Brienne Kohrt (USA)
09:35 - 09:55	#368: Time-and-motion study of a stepped care intervention for screening and treatment of Perinatal Mood and Anxiety Disorders in maternal-child health clinics in Western Kenya	Mr Asterico Neema (Kenya)
09:55 - 10:15	#116: It takes a whole village of support: Evaluation of a Reproductive Trauma Service in North-West UK	Prof Gill Thomson (UK)
09:15 - 10:15	Oral Research	MEETING ROOM 2
09:15 - 09:35	#369: Epigenetic Studies in Postpartum Psychosis: Implications for Reproductive Mood Disorders	Dr Jennifer Payne (USA)
09:35 - 09:55	#137: Infant crying, maternal well being, and the early microbiome: A pilot study of interconnected pathways in early life	Dr Julia Shekunov (USA)
09:55 - 10:15	#422: Prenatal maternal depression affects infant autonomic regulation of sleep	Dr Isabelle Mueller (USA)
10:15 - 10:30	TEA/COFFEE BREAK	HALL C
PARALLEL SESSION 5 <i>Theme: Neuroscience, Treatment, and Innovation</i>		
10:30 - 11:30	Symposium 10 - From Possibility to Practice: Reflections on Introducing tDCS in a Mother and Baby Unit Chairperson: Dr Somayya Kajee	MEETING ROOM 8/9
10:30 - 10:50	Neuromodulation in Psychiatry: Understanding tDCS and its Therapeutic Potential	Dr Hannah Nearney (UK)
10:50 - 11:10	Why tDCS for Perinatal Depression? Developing a Pilot in a Mother and Baby Unit	Dr Somayya Kajee (UK)
11:10 - 11:30	Lessons from Practice: Challenges, Outcomes and the Future of tDCS in MBUs	Dr Rose Winter (UK)
10:30 - 11:30	WAIMH REGIONAL GROUP: The World Association for Infant Mental Health - SA Symposium 11 - Healing through the baby: foregrounding maternal-mental health in the context of care for the infant Chairperson: Prof Astrid Berg	MEETING ROOM 11
10:30 - 10:40	The voice of WAIMH, the voice of the Infant	Prof Astrid Berg (SA)
10:40 - 11:00	Clinical Reflections on Adolescent Pregnancy and Severe Psychiatric Illness: Case Material from Tygerberg Hospital	Ms Salisha Maharaj (SA)
11:00 - 11:20	A case of maternal OCD – when early childhood anxiety resurfaces within the mother-infant relationship	Dr Juané Voges (SA)
11:20 - 11:30	Reflections on the clinical cases – what the infants can tell us	Prof Astrid Berg (SA)
10:30 - 11:30	MARCÉ REGIONAL GROUP - UK Symposium 12 - Highlights of UKIMS conference 2026: perinatal anxiety and depression: epidemiology and arts-based interventions from around the world Chairperson: Dr Claire Wilson	MEETING ROOM 10
10:30 - 10:50	Prevalence, risk and protective factors of depression and anxiety symptoms in Beninese mothers at one year postpartum	Dr Keteven Marr (France)
10:50 - 11:10	Independent and Adjunctive Benefits of Art Therapy for Perinatal Anxiety and Depression: A Registry-based Subgroup Evaluation	Dr Richard Duffy (Ireland)
11:10 - 11:30	In what contexts and by which mechanisms can group participatory music-based interventions support perinatal mental health? A realist review	Ms Lottie Anstee (UK)
10:30 - 11:30	WHO REGIONAL GROUP Symposium 13	MEETING ROOM 7
10:30 - 11:30	Improving mental health outcomes during and after pregnancy: The perinatal mental health toolkit	Dr Tatiana Salisbury (UK)

MARCÉ REGIONAL GROUP - JAPAN		
10:30 - 11:30	Symposium 14 - Perinatal mental health capacity building in Japan: multidisciplinary collaboration, obstetric screening, and the role of midwives across the care continuum Chairperson: Dr Hiroshi Yamashita	MEETING ROOM 2
10:30 - 10:50	Initiatives of the Japan Association of Obstetricians and Gynecologists for Perinatal Mental Health Care	Dr Manabu Ogoyama (Japan)
10:50 - 11:10	Bridging the Gap: The Role of Midwives in Seamless Mental Health Care from Hospital to Community	Ms Hiroe Yamamoto (Japan)
11:10 - 11:30	Policy-to-practice in psychiatry: coordinator-led hub-and-spoke regional networks for continuity of perinatal mental health care	Dr Hiroshi Yamashita (Japan)
PARALLEL SESSION 6 <i>Theme: Neuroscience, Treatment, and Innovation</i>		
11:30 - 12:30	Symposium 15 - From Birth to Burden: Understanding Traumatic Childbirth Chairperson: Prof Antje Horsch	MEETING ROOM 8/9
11:30 - 11:50	The under-recognition of childbirth-related post-traumatic stress	Prof Jonathan E. Handzelalts (Israel)
11:50 - 12:10	Risk factors of childbirth-related posttraumatic stress in mothers and fathers	Prof Antje Horsch (Switzerland)
12:10 - 12:30	How childhood maltreatment shapes mothers' emotional and bodily experiences during breastfeeding	Prof Anat Talmon (Israel)
11:30 - 12:30	Symposium 16 - Antipsychotic use during pregnancy: psychopharmacology, maternal and child outcomes Chairperson: Prof Hilmar Bijma	MEETING ROOM 11
11:30 - 11:45	Outcomes of a systematic literature review into neurodevelopmental outcomes after intra-uterine exposure to antipsychotic medication	Dr Anna Rommel (USA)
11:45 - 12:00	Neonatal outcomes after antipsychotic use during pregnancy: first-generation compared with second-generation antipsychotic and polytherapy compared with monotherapy	Dr Astrid Kamperman (The Netherlands)
12:00 - 12:15	Psychofarmacology, maternal and neonatal outcomes in clozapine use during pregnancy	Prof Hilmar Bijma (The Netherlands)
12:15 - 12:30	Infant EEG markers of neurodevelopment following prenatal exposure to maternal psychiatric illness	Dr Marco Rizzo (USA)
MARCÉ REGIONAL GROUP - GERMANY		
11:30 - 12:30	Symposium 17 - Bridging Biology and Behaviour: Innovations in Screening, Intervention, and Biomarker Research for Peripartum Depression Chairperson: Prof Sarah Kittel-Schneider	MEETING ROOM 10
11:30 - 11:50	UplusE project: improving early identification of peripartum mental health problems across healthcare interfaces	Dr Susanne Simen (Germany)
11:50 - 12:10	Enhancing Maternal–Infant Bonding Through Structured Interaction Therapy: Longitudinal Evidence from a Day Clinic Setting	Dr Christine Heinisch (Germany)
12:10 - 12:30	Immune Dysregulation and Mood: Insights into the Biology of Peripartum Depression	Prof Sarah Kittel-Schneider (Germany)
MARCÉ REGIONAL GROUP - SPAIN		
11:30 - 12:30	Symposium 18 - Shared Decision-Making and Precision Psychopharmacology in Perinatal Bipolar Disorder. Integrating Ethical, Clinical and Pharmacokinetic Perspectives Chairperson: Dr Maria Luisa Imaz Gurruchaga (President)	HALL D
11:30 - 11:50	Lithium Pharmacokinetics in the Perinatal Period: Clinical Implications Across Trimesters and Early Postpartum	Dr Maria Luisa Imaz Gurruchaga (Spain)
11:50 - 12:10	Shared Decision-Making in Perinatal Bipolar Disorder: Frameworks for High-Risk Clinical Scenarios	Dr Maria Luisa Imaz Gurruchaga (Spain)
12:10 - 12:30	Balancing Maternal Stability and Fetal Safety: A Risk–Benefit Approach to Lithium in the Perinatal Window	Dr Jesús Cobo Gómez (Spain)
SIG REGIONAL GROUP		
11:30 - 12:30	Symposium 19 - Sexual and Gender Minorities: SIG Meet Up Chairperson: Dr Catriona Hippman	MEETING ROOM 7
11:30 - 12:30	Symposium 20 - Theme: Preconception, Perinatal and Early Postnatal Interventions The SHIFT model of perinatal depression: A dynamic framework for precision psychiatry Chairperson: Prof Jeanette Milgrom	MEETING ROOM 2
11:30 - 11:45	limitations of existing conceptualisations of perinatal depression and translational implications of the SHIFT model for precision prevention in perinatal psychiatry	Prof Julien Dubreucq (France)
11:45 - 12:00	How caregiving behaviour, parental bonding, and coparental functioning form reciprocal feedback loops with individual-level processes, and translational implications for understanding infant development and intergenerational risk	Dr James Bonaiuto (France)
12:00 - 12:15	Implications of the SHIFT model for how both the economic burden and cost-effectiveness of interventions in perinatal depression are conceptualised and evaluated	Dr Annette Bauer (UK)
12:15 - 12:30	Statistical approaches to treat heterogeneity not as noise as in classical mean-focused statistical modelling approaches but as a signal and an opportunity for mechanistic discovery	Prof Andreas Mayr (Germany)
12:30 - 13:30	LUNCH	HALL C
12:40 - 13:03	Blitz Poster Session Chairperson: Dr Crystal Clark	CCCC FOYER
12:40 - 12:43	#384: Understanding Perinatal mental health inequality in reFugees and Those seeking asylum (UPLIFT asylum): Co-producing perinatal mental health research priorities	Dr Zoë Darwin (United Kingdom)
12:43 - 12:46	#159: Australian midwives' perceptions and practice of trauma-informed care: A qualitative study	Mrs Evah Ncube (Australia)
12:46 - 12:49	#268: The Effect on Women and their Children of Pressuring Mothers to Breastfeed	Dr Gail Erlick Robinson(Canada)
12:49 - 12:51	#397: Help-Seeking Patterns for Perinatal Mental Health in India: Insights from the Tele-MANAS National Tele-Mental Health Program	Dr Madhuri H Nanjundaswamy (India)
12:51 - 12:54	#446: International interventions strengthening equitable perinatal mental health systems for women at risk of adverse birth outcomes: a systematic review	Mrs Ruth Jinad (England)
12:54 - 12:57	#432: Expectant fathers' mental health and satisfaction in their intimate relationship	Prof Sigridur Sia Jonsdottir (Iceland)
12:57 - 13:00	#374: Leveraging Technology and Culturally Sensitive Communication to Engage Spanish-speaking Women in Evidence-Based Perinatal Depression Interventions	Dr Sandraluz Lara-Cinisomo (USA)
13:00 - 13:03	#168: Perinatal depressive symptoms are not associated with postpartum maternal diet quality	Dr Michele Levine (USA)

13:09 - 13:30	Blitz Poster Session Chairperson: Dr Lauren Osborne	CCCC FOYER
13:09 - 13:12	#141: Intersecting identities among mothers who have their baby removed at birth – a trauma-informed narrative study	Dr Kaat De Backer (UK)
13:12 - 13:15	#330: Towards person-centred maternal and newborn care in Ethiopia: a mixed method study of satisfaction and experiences of care	Dr Raquel Catalao (UK)
13:15 - 13:18	#475: More than a checklist: A qualitative exploration into postpartum mental health screening and the transition to community support	Dr Chinyere N. Reid (USA)
13:18 - 13:21	#273: A pilot qualitative assessment of patient perspectives on sources of information about their pregnancy during antenatal	Dr John Soehl (USA)
13:21 - 13:24	#191: Management of mental disorders during pregnancy, postpartum and lactation period: A retrospective analysis in a specialized psychiatric outpatient clinic	Dr Sara Statucki (Germany)
13:24 - 13:27	#336: Mental health crisis planning in the perinatal period: stakeholder perspectives on the use of Advance Choice Documents	Ms Maggie Thurer (UK)
13:30 - 14:15	KEYNOTE SESSION 4 <i>Theme: Systems of Care/Policy and Advocacy</i>	HALL D Chairperson: Dr Lavinia Lumu
13:30 - 14:15	KEYNOTE 6: Harambee - All Pulling Together: Group Interpersonal Therapy for Perinatal Mental Health Conditions	Prof Mathai Muthoni (Kenya)
<i>Theme: Neuroscience, Treatment, and Innovation</i>		
14:15 - 14:45	KEYNOTE 7: Peripheral inflammatory biomarkers in Perinatal Depression	Dr Jesús Cobo Gómez (Spain)
PARALLEL SESSION 7 <i>Theme: Systems of Care/Policy and Advocacy</i>		
14:45 - 15:45	Symposium 21 - Producing economic evidence that matters: Real-world decision-making for perinatal mental Health in the Global South Chairperson: Prof Simone Honikman	MEETING ROOM 8/9
14:45 - 15:05	Return on Investment for perinatal mental health in South Africa: National modelling to inform policy and resource allocation	Dr Donela Besada (SA)
15:05 - 15:25	From trial to policy in perinatal mental health: Economic lessons from evaluating maternal and child health interventions in South Africa	Prof Lungiswa Nonki (SA)
15:25 - 15:45	Capturing long-term and intergenerational value: Developing policy-relevant economic models for perinatal mental health in the Global South	Dr Annette Bauer (UK)
MOTHER BABY UNIT		
14:45 - 15:45	Symposium 22 - MBU SIG Meetup Chairperson: Vered Bar	MEETING ROOM 2
14:45 - 15:45	Oral Research	MEETING ROOM 11
14:45 - 15:05	#260: Global Mapping of Perinatal Mental Health Services for Women Suffering Severe and Complex Perinatal Mental Health Disorders	Dr Vered Bar (Israel)
15:05 - 15:25	#124: Between Fatalism and Resilience: Lived Experiences of Perinatal Mental Health of Women in the Village of Taki, Ivory Coast in 2025	Dr Naomi Dick Kaba (Côte d'Ivoire)
14:45 - 15:45	Oral Research	MEETING ROOM 10
14:45 - 15:05	#211: Hidden pregnancies, hidden systems: Perinatal mental health and (dis)respectful maternity care in institutional mothers' homes – a scoping review for low- and middle-income countries	Dr Alexis Palfreyman (Sri Lanka)
15:05 - 15:25	#229: Provider- and facility-level correlates of non-specialist provider competence in perinatal mental health skills in Western Kenya: a cross-sectional study	Ms Tessa Fujisaki (USA)
15:25 - 15:45	#281: Integrating perinatal mental health into maternal and child health services in Ethiopia and Guinea: a complex systems analysis of policy and implementation	Dr Anteneh Asefa (Belgium)
14:45 - 15:45	Oral Research - Theme: Perinatal Mental Health Across Clinical, Social, and Community Contexts	MEETING ROOM 7
14:45 - 15:05	#421: The Antenatal Risk Questionnaire: Its psychometric properties and comparison with EPDS and DASS for use in Iceland for prevention of mental health problems	Prof Sigrídur Sía Jónsdóttir (Iceland)
15:05 - 15:25	#107: Prevalence of Mental Disorders in Parents with Intellectual Disabilities: Systematic Review and Meta-Analysis	Dr Sonya Rudra (UK)
15:25 - 15:45	#103: Baby2Home and Parental Mental Health: A Randomized Trial	Dr Emily Miller (USA)
15:45 - 16:00	TEA/COFFEE BREAK	HALL C
PARALLEL SESSION 8 <i>Theme: Systems of Care/Policy and Advocacy</i> GAMMH REGIONAL GROUP		
16:00 - 17:00	Symposium 23 - Collective advocacy for large scale impact: global and national alliances Chairperson: Dr Lavinia Lumu	MEETING ROOM 8
16:00 - 16:20	Alliances: amplifying a worldwide movement for change	Dr Alain Gregoire (UK)
16:20 - 16:40	Understanding, creating and using economic evidence to inform policy decision making	Dr Annette Bauer (UK)
16:40 - 17:00	Can alliances become a vehicle for effective advocacy in Africa? Experiences from 5 countries	Ms Jacqueline Malombe (Malawi)
MOTHER - BABY UNIT SPECIAL INTEREST GROUP		
16:00 - 17:00	Symposium 24 - Developing Specialized Perinatal Psychiatric Services Across Diverse Health Systems: Lessons from the Czech Republic, Israel, and the UAE Chairperson: Dr Antonín Šebela	MEETING ROOM 11
16:00 - 16:20	Practical steps and challenges in establishing the first specialized perinatal psychiatric clinic in the Czech Republic	Dr Antonín Šebela (Czechia)
16:20 - 16:40	Practical steps and challenges in establishing a national Mother-Baby Unit in Israel	Dr Vered Bar (Israel)
16:40 - 17:00	Transition from practice in the UK to the UAE – benefits and barriers in establishing specialist services in two nations	Dr Giles Berrisford (UAE)
FATHERS SIG		
16:00 - 17:00	Symposium 25 - Fathers SIG Meetup Chairperson: Sheehan Fisher	MEETING ROOM 2
16:00 - 17:00	Oral Research	MEETING ROOM 10
16:00 - 16:20	#286: Perinatal outcomes of patients attending a Maternal Mental Health Clinic at a tertiary hospital in Johannesburg	Dr Lerato Malakoane (SA)
16:20 - 16:40	#377: Community health worker stress, self-efficacy, mental health, and social support following training and delivery of a perinatal intervention in Uganda	Ms Caitlin Briedenhann (SA)

16:00 - 17:00	Oral Research	MEETING ROOM 7
16:00 - 16:20	#417: Substance use and abuse among perinatal women in Africa: An integrated literature review	Dr Angel Phuti (Germany)
16:20 - 16:40	#416: Building compassionate systems for maternal care: Perinatal Mental Health Project strategies to reduce obstetric violence and support healthcare providers	Mrs Keesha Lebisa (SA)
16:40 - 17:00	#272: Identification of psychosocial problems in routine antenatal care in Ethiopia: a facility-based cross-sectional study	Ms Tigist Eshetu (ETH)
16:00 - 17:00	Oral Research	MEETING ROOM 9
16:00 - 16:20	#435: A matter of life and death: A scoping review of the relationship between induced abortion and women's self-harm and suicide	Dr Alexis Palfreyman (UK)
16:20 - 16:40	#154: A longitudinal study on maternal and child outcome among mothers with postpartum psychosis admitted to the mother-baby unit in India.	Dr Sundarnag Ganjekar (India)
16:40 - 17:00	#212: Violence, maternal homicide, and suicide in the perinatal period: Lessons from Mexico as a call to action for perinatal mental health	Dr Alexis Palfreyman (Sri Lanka)
17:00 - 17:30	AGM Meeting and Introduction of new Office Bearers	MEETING ROOM 11
19:00	Marcé Conference Dinner & Awards Guest Speakers: Keynote: Ms Liesl Hermanus	HALL D

WEDNESDAY 9 SEPTEMBER 2026

08:30 - 09:15	KEYNOTE SESSION 5 <i>Theme: Neuroscience, Treatment, and Innovation</i>	HALL D Chairperson: Dr Lavinia Lumu
08:30 - 09:15	KEYNOTE 8: Mother-Baby Units: Bridging Gaps in Perinatal Mental Health Care	Prof Prabha Chandra (India)
09:15 - 10:00	KEYNOTE 9: Light Through Turbulence: Managing the Uncertain Terrain of Perinatal Bipolar Disorder	Dr Crystal Clark (Canada)

10:00 - 10:30	TEA/COFFEE BREAK	HALL C
----------------------	-------------------------	---------------

PARALLEL SESSION 9 <i>Theme: Early Career Perinatal Mental Health Research</i>		
--	--	--

10:30 - 11:30	Symposium 26 - Through a Collaborative Lens: A Cross-Cultural Arts-Based Exhibition of Women's Lived Experiences Informing the CHIME Intervention across Three African Countries Chairperson: Dr Stefani Du Toit	MEETING ROOM 8/9
----------------------	--	-------------------------

10:30 - 10:50	Using arts-based methods to amplify the voices and creative expressions of adolescent mothers, contextualising their unique experiences of mental health and young motherhood.	Ms Moroesi Makhetha (Lesotho)
10:50 - 11:10	Detailing a multi-stage co-adaptation process where Photovoice activities and stakeholder engagement informed the intervention's cultural relevance, acceptability, and community ownership in Khayelitsha.	Ms Noluthando Mpisane (SA)
11:10 - 11:30	Partnering with Community Advisory Boards and lived experience representatives to co-create research processes and outcome selections that reflect local realities within the randomised controlled trial.	Ms Sainabou Drammeh (Gambia)

10:30 - 11:30	Symposium 27 - Improving access and uptake of early preventive perinatal mental healthcare: Evidence from virtual programs in Quebec Chairperson: Dr Anna MacKinnon	MEETING ROOM 11
----------------------	---	------------------------

10:30 - 10:50	Integrated preventive perinatal mental healthcare frameworks : Findings from a randomized controlled trial of the virtual Parents and Babies program	Dr Tatiana Dessy (Canada)
10:50 - 11:10	The potential of virtual reality (VR) to enhance perinatal mental healthcare : Co-design of a VR Adjunct for the Parents and Babies program	Dr Anna MacKinnon (Canada)
11:10 - 11:30	Increasing care provider readiness to address perinatal mental health concerns: Evaluation of the ECHO virtual continuing education program	Ms Clara Vincent (Canada)

10:30 - 11:30	Symposium 28 - Adapting perinatal mental health services for the needs of diverse women Chairperson: Dr Roxanne Keynejad	MEETING ROOM 10
----------------------	--	------------------------

10:30 - 10:50	The co-development and evaluation of a music-based intervention for the perinatal mental health of culturally diverse women in South-East London	Ms Lottie Anstee (UK)
10:50 - 11:10	Artificial intelligence and social media use alongside specialist perinatal mental healthcare: developing resources and adapting services in line with women's evolving needs	Ms Lauren Sugden (UK)
11:10 - 11:30	Mental health professionals' experiences, perspectives and training needs for supporting women of Chinese ethnicity during the perinatal period	Ms Angel Yue Deng (UK)

10:30 - 11:30	Oral Research	MEETING ROOM 7
----------------------	----------------------	-----------------------

10:30 - 10:50	#427: A research Informed Mother–Infant Dyadic Intervention for HIV-Exposed Infants and Maternal Mental Health in South African Primary Care	Dr Gina Rencken (SA)
10:50 - 11:10	#380: “With Or Without My Child, I Am Still A Mother”: Lived Experience And Treatment Needs Of Indian Women Survivors Of Perinatal Loss	Ms Ashwathi PG (India)
11:10 - 11:30	#220: “The first time I laid eyes on my baby”: A qualitative exploration of maternal experiences following neonatal admission	Mrs Nokuthula Mabena (SA)

10:30 - 11:30	Symposium 29 - Theme: Neuroscience, Treatment, and Innovation Implementing and Evaluating HUGS Across Three Continents: A Mother-Baby Intervention to Protect Early Relationships After Postpartum Depression Chairperson: Prof Jeannette Milgrom	MEETING ROOM 2
----------------------	---	-----------------------

10:30 - 10:45	The Evolution of HUGS in Australia: From Intervention Development and Evaluation to Digital Delivery	Prof Jeannette Milgrom (Australia)
10:45 - 11:00	Cultural adaptation and evaluation of the mother-baby intervention (HUGS) as part of a randomised controlled trial in a population of French mothers	Dr Carole Gentileau (France)
11:00 - 11:15	How the day hospital team has incorporated HUGS into its daily practice and its the positive effects on treatment adherence	Dr Anne-Laure Sutter-Dallay (France)
11:15 - 11:30	Documentary showcasing a Community-Based Therapeutic Intervention for women experiencing postnatal depression in Rwanda: cultural adaptation	Dr Marie-Providence Umuziga (Rwanda)

PARALLEL SESSION 10 <i>Theme: Perinatal Mental Health Across Clinical, Social, and Community Contexts</i>		
---	--	--

11:30 - 12:30	Symposium 30 - Reducing alcohol and substance use harms during pregnancy and motherhood Chairperson: Dr Sam Burton	MEETING ROOM 7
11:30 - 11:50	Global prevalence of alcohol and substance use during the perinatal period: a meta-analysis	Dr Sam Burton (UK)
11:50 - 12:10	MARI: coproducing maternal alcohol resources and information	Dr Abi Rose (UK)
12:10 - 12:30	'I want to go there but I ain't ready to come off my methadone': conditional care and pressure to detox for postnatal women receiving opioid replacement therapy – findings from the Stepping Stones study	Dr Polly Radcliffe (UK)
11:30 - 12:30	Symposium 31 - Breaking the Silence: Postpartum Depression in Fathers and Its Impact on Family Mental Health	MEETING ROOM 11
11:30 - 11:45	Prevalence and Factors associated with paternal depression during the first year after childbirth: A cross sectional study from Kolar, India	Dr Sundarnag Ganjekar (India)
11:45 - 12:00	Understanding Paternal Depression: Atypical Presentations and Challenges in Identification	Dr Madhuri H Nanjundaswamy (India)
12:00 - 12:15	Fathers' Postpartum Depression: Barriers, Service Gaps, and Implications for Family and Child Wellbeing	Dr Lakshmi Shiva (India)
12:15 - 12:30	Addressing Paternal Postpartum Depression Through Father-Inclusive Care	Dr Geetha Desai (India)
11:30 - 12:30	Oral Research	MEETING ROOM 10
11:30 - 11:50	#69: The Inclusion of Grandparents in Perinatal Mental Health	Mrs Jane Honikman (USA)
11:50 - 12:10	#142: Healthcare teachers' knowledge, skills, and attitudes related to perinatal mental health in Namibia, Malawi, and Zambia – perspectives on teaching and its development	Ms Mari Berglund (Finland)
12:10 - 12:30	#205: Towards a standard costing approach and interactive decision-support tool for perinatal mental health in low and middle-income countries: Application in Thailand	Dr Annette Bauer (UK)
11:30 - 12:30	Oral Research	MEETING ROOM 8/9
11:30 - 11:50	#477: Characterization of Reproductive Health Among Black Birthing Canadians	Dr Crystal Clark (Canada)
11:50 - 12:10	#147: Stability and change in perinatal depressive symptom trajectories: The role of social support and community green space	Dr Alison Hipwell (USA)
12:10 - 12:30	#265: Polyhydramnios as a Clinical Clue in Lithium Exposed Pregnancies: Findings from a Retrospective Cohort	Dr Maria Luisa Imaz Gurruchaga (Spain)
12:30 - 13:30	LUNCH	HALL C
12:40 - 13:03	Blitz Poster Session Chairperson: Prof Jane Fisher	CCCC FOYER
12:40 - 12:43	#160: Social Support in Peripartum Depression: A Cross-Sectional Analytical Study at a District Hospital in Gauteng Province, South Africa	Dr Marko Breedts-Kriek (SA)
12:43 - 12:46	#152: The Effect of a Trauma-Informed Care Video Training Program for Midwives: A Randomized Controlled Trial	Ms Saki Doi (Japan)
12:46 - 12:49	#228: Inventory of Depression and Anxiety Symptoms (IDAS) Outcomes in a Randomized Controlled Trial of a Digital Intervention for Mood Management During Pregnancy	Dr Jennifer Duffecy (USA)
12:49 - 12:51	#434: Clozapine Use During Pregnancy in Women with Severe Mental Illness: A Case Series from a Tertiary Care Perinatal Psychiatry Service, India	Dr Madhuri H Nanjundaswamy (India)
12:51 - 12:54	#185: Association between Infantile Atopic Dermatitis and Mother-to-infant Bonding Disorder: A Cross-sectional Study	Ms Sawako Kamo (Japan)
12:54 - 12:57	#304: The development of a Childbirth Preparation Education Programme (CPEP) to alleviate postnatal depression (PND) among primigravid women in public health facilities	Prof Gaotswake Patience Kovane (SA)
12:57 - 13:00	#465: Pregnancy-Associated Suicide in the United States: Intimate Partner Adversity, Mental Health, and Firearm Use Before and During the COVID-19 Pandemic, 2018–2022	Dr Qing Li (USA)
13:00 - 13:03	#194: Geography, Culture, and Care: Understanding Postpartum Mental Health in Rural Aotearoa New Zealand	Dr Jessica Liddell (USA)
13:09 - 13:30	Blitz Poster Session Chairperson: Dr Wisani Makhomisané	CCCC FOYER
13:09 - 13:12	#371: Maternal mood trajectories across the perinatal period among women with severe mental health illness	Ms Floriana Milazzo (USA)
13:12 - 13:15	#121: Effectiveness of Internet-Based Cognitive Behavioral Therapy for Depressive Symptoms During Pregnancy by Using Real-World Data: Retrospective Cohort Study	Prof Daisuke Nishi (Japan)
13:15 - 13:18	#450: Certified neonatal therapists' role in parental perinatal mental health for families receiving palliative care in the NICU	Dr Marinthea Richter (SA)
13:18 - 13:21	#263: Maternal Psychosocial Distress and Pregnancy-Related Attitudinal Responses in Gombe State, Nigeria	Mr Mukhtar Sani (Nigeria)
13:21 - 13:24	#386: Perinatal maternal mental health, bonding, and coparenting: Associations with infant effortful control at six months	Prof Inês Jongenelen (Portugal)
13:24 - 13:27	#20: Childhood trauma as a risk factor for postpartum depression: a lived experience and advocacy perspective	Mrs Kim Vermaak (SA)
13:27 - 13:30	#474: Extending the Impact of Acceptance and Commitment Therapy for Perinatal Mental Health Across the Welsh Healthcare System	Dr Cerith Waters (UK)
13:30 - 14:45	KEYNOTE SESSION 6 <i>Theme: Neuroscience, Treatment, and Innovation</i>	HALL D Chairperson: Dr Lavinia Lumu
13:30 - 14:45	KEYNOTE 10: Decoding Postpartum Depression: The Quest for Biomarkers	Dr Lauren Osborne
14:45 - 15:15	TEA/COFFEE BREAK	HALL C
15:15 - 17:00	KEYNOTE SESSION 7 - ETHICS <i>Theme: Forensic Perinatal Mental health and Ethics</i>	HALL D Chairperson: Dr Lavinia Lumu
15:15 - 16:00	KEYNOTE 11: Why women kill: Exploring the mad, bad and sad of filicide	Prof Ugash Subramaney (SA)
16:00 - 16:45	KEYNOTE 12: An autopsy on the heavily gravid underbelly of peripartum ethics	Prof Ryan Blummenthal (SA)
16:45 - 17:00	CLOSING
